"Cherchez la Femme," 214;
Inflation Is Taxation, 305.

XYDIS, S. G.:
Bulgaria—Axis Satellite, 147.

FORTY-ONE years ago the first formal report of the quartermaster-general of the United States Army said of the gasoline buggy:

"As a primary means of carrying troops and baggage I do not consider the automobile at all suitable, nor do I believe it can ever be perfected so as to make a reliable means of efficient transportation of troops operating in the field, and their baggage."

Milwaukee Journal
